✧ It's SHOW Time! ✧
NEW THIS WEEK

It's the moment Naivelt has all been waiting for! The performances of "**Oy di Velt Vet Vern Yinger**" ("Oh, the World Will Get Younger") are this weekend! After two weeks of constant rehearsing, experiencing the authentic long show-business hours and working very hard, the time to perform is finally here! Some involved are nervous, excited or in most cases: both. Even before the performance, Naivelt commends all involved for their hard work and dedication to the project! A special big thank you goes out to the **Jumblies Theatre** artists and **Ruth Howard**, for all the hard work that has made this project possible. We have no doubt that it will truly be a performance and an experience to remember for a very long time.

THE SPECIAL MENTION SECTION...

SAY HELLO TO...

This week, we welcome **Julie and Holger Meinke along with son Nic** (Hill 2 cabin #28) who have come all the way from Holland to spend some vacation time at Naivelt! On Hill 3, welcome **Phil Ciglen** (#26) (pictured in his hippie days at Naivelt below), who writes:

“Phil Ciglen, a Naivelt regular in the late '60s/early '70s (the hippie years) and visitor the last few years, will be staying on Hill 3 #26 for 2 weeks beginning Aug.

*10, the first week solo, the second week with **Linda Ruth and Sophie.***

Phil is looking forward to reliving the past by playing guitar as much as possible with others who are similarly inclined.

He is a mostly retired but still part-time masseur and currently teaches guitar. If anyone would like a massage or a guitar lesson, he's happy to offer his services.”

SPECIAL DAYS THIS WEEK

Benjamin Cope is turning 19 on **Saturday, August 9!** Everyone growing up so quickly! We wish him all the best this year, and commend him for being so successful in the past 19. His contributions made to Naivelt have been outstanding. Here's to Ben!

Our second big celebrant is **Charlotte Gacich**, who is turning 6 on **Saturday, August 9** as well. Although she and her family are away on vacation (interprovincial greetings from Newfoundland!), we wish her all the best this summer and in the coming years: laughter, joy and lots of fun!

THE 2008 METEOR SHOWER - COMING AUGUST 12!

And when we say **August 12**, we mean that morning ... not that night. These typically fast and bright meteors radiate from a point in the constellation Perseus, and, like all meteors in annual showers, they cover a large part of the sky. The Perseids are considered by many people to be the year's best shower when the moon is out of the way during the shower's peak. On the morning of the Perseids' peak, the moon sets around **3 a.m.** After moonset (3 a.m) on the morning of August 12, be sure you're already in a dark sky location. Lie back and watch meteors until dawn's light washes the stars, and the meteors, from view. We suggest watching them at the far end of Hill 2 towards the golf course-some great showers have been seen by Naivelters in these locations! Thanks to **Brenda Nietupski** for all the info and great tips!

JEWELRY SALE: THIS WEEKEND!

Interested in unique and wearable art? Check out Naivelter **Mari Drexler's** (Hill 2 #25) handmade jewelry! Necklaces, earrings, and sets will be available for sale on Saturday and Sunday, August 9-10, 2008 at Lasowsky Centre. All her pieces are one-of-a-kind creations! Part of the proceeds will go to The Humane Society on behalf of Camp Naivelt.

FOOD UPDATE

On Friday there will be pizza dinner for all who are rehearsing. On Saturday and Sunday **Dianne Wintermute** and **Stuart Lubin** are providing lunch and snacks for the cast and crew. We will charge \$2 per person per meal, to cover the costs. If other Naivelters would like to eat lunches with us, please also bring an easy-to-eat pot-luck contribution.

AFTER PARTY!

On Sunday evening at 9:00 pm, for those who are still around, there will be a closing night party. Bring your own drinks, snacks and musical instruments. Everyone welcome!

“COTTAGE INSTALLATIONS”

All are encouraged to see the art and history installations in host cabins at Naivelt. These specific cottages, one on each hill, are filled with art, clips and other material gathered over the course of the three year Community Arts project. The cottages are open from **noon to 7 pm on Saturday, August 9 and Sunday, August 10. On Hill 1, Cabin # 19. On Hill 2, Cabin #32. On Hill 3, Cabin #32.**

Time to Perform Again!

Intergenerational Naivelt Coffeehouse Coming Up!

In the next week, Naivelt will really have showed off it's talent. Following the performances of the Jumblies/Naivelt arts project, campers will be treated to yet another evening of music. The second annual intergenerational coffee house is happening next **Saturday, August 16, 2008, 8pm** at the Lasowsky...until there is no coffee left! It will entail a night full of musical numbers being performed by Naivelters of all ages. It is possible that some early performances from Robert Zimmerman, from Minnesota, will be recreated. Mr. Zimmerman gained some notoriety after he changed his name to **Bob Dylan**, but he did get his start in music in the coffee house circuit. Anyone who is interested in performing should talk to **Steve Cope (Hill 2 #16)** so that they may sign up. We're all excited to again seeing Naivelt's wide range of talent!
